TCO2 Presentations for Students in Grades 4-7

Taking Care of Ourselves, Taking Care of Others (TCO²) is a unique workshop designed and delivered by youth, for youth about preventing sexual exploitation. Using monologues, role-plays and engaging activities, two young adult facilitators involve participants in a meaningful and interactive discussion of what sexual exploitation is, who is involved, and how to prevent it from happening.

School Closures Due to Inclement Weather

<https://sd38.bc.ca/news/2023-11-02/school-closures-due-inclement-weather>

The district will try to determine school closures due to inclement weather by 6:30 a.m. Updates will be delivered using social media and school and district websites.

Facebook: <https://www.facebook.com/RichmondSD38/>

Twitter: <https://twitter.com/RichmondSD38>

No radio or television announcement will be made saying that schools are open. Only school closures will be announced by the media. To reach as many people as possible - as quickly as possible - we work closely with our local media to share information. Listen to local radio stations and follow local news outlets online to also get information about the impact of severe weather or emergencies in our schools.

If snowfall begins while school is in session, in most circumstances, schools will remain OPEN until the end of the school day.

If schools are open, and you wish to keep your child home due to weather conditions, you may do so. Please let your school know of this decision.

Parents/caregivers are responsible for their child's safe travel to school. If possible, we encourage parents to walk their children to school in poor weather conditions.
