NATIONAL CHILD & YOUTH MENTAL HEALTH DAY

Online Event for Parents and Caring Adults

with Kim Barthel

connecting with kips: We know that having caring, connected conversations can significantly impact the mental health of children and youth. Join us to listen to Kim Barthel talk about having more self-compassion, self-awareness and knowledge about the art and science of relationships. Our kids mean so much to us, and yet disconnection, dissociation and even the potential for self-harm is very real. A holistic and engaging story-teller, Kim will introduce the basics of attunement, attachment theory, trauma-sensitive practice, sustainable self-care and above all the power of connection and inclusion.

Kim Barthel is a Canadian occupational therapist, speaker, multi-disciplinary teacher, mentor and best-selling author who is active in supporting people in many contexts globally. Kim is passionate about understanding mental health, complex behaviour, neurobiology, movement, trauma-sensitive practice, attachment, sensory processing and learning. KimBarthel.ca.
