1. **Great BC Shakeout At Bridge A Roaring Success** – our first Earthquake drill of the year took place last Thursday as part of the province -wide Great BC Shake-out and we were very pleased with our students’ actions through the drill. Our students practiced being safe in the event of an earthquake by first ducking under a table or desk, covering their heads and then counting aloud to 60 with their peers and staff in their classrooms. Stay tuned for more info on upcoming earthquake drills in the future.
2. **Zoom Parent-Teacher Conferences A Hit for All** – thank you to all for our parents for their participation in our first ever Zoom Parent-Teacher Conferences and for their thoughtful insights into their child’s learning and helping to establish some learning goals for this school year. And thanks to our awesome staff for their extra hours spent into the evening meeting with our families and for their commitment to the wonderful partnership that has been built between our families and the staff over the years in this community.
