## Bridge Week At A Glance: February 22<sup>nd</sup> – 26<sup>th</sup>

Our focus on kindness continues this week. Through books, movies, and a variety of lessons and activities, our students have been learning how to be kind to others, and the impact that just one act of kindness can have upon someone else. Together, through this school-wide focus, we are also learning how all of these small gestures of kindness can add up to create a powerful and tangible feeling of goodwill and help to create a culture of caring for one another that makes coming to school better for everyone.

<b>Monday</b> <b>22</b>	<p><b>Parent Teacher Conferences This Week.</b> The structure of these conferences will vary from class to class. Some teachers will be using a student-led format and others may be using this time to meet with parents only. Regardless of how these conferences are shaped, we are looking forward to discussing your child's progress, and celebrate their successes, and set some new goals for their learning with you.</p> <p><b>Basketball Skills for Grade 6/7s in Divisions 5 &amp; 6</b></p>
