

You're invited!

Dear Parents and Caregivers,

We hope everyone is adjusting to the new school year and that your children are enjoying their new classes. We have lots going on this year at Bridge so we wanted to reach out to you. As many of you know, the PAC is made up of parent volunteers who help organize events, fundraise and look for ways we can help our children, teachers and administrators. Most importantly, we try to build a sense of community for our families and try to make elementary school a fun memorable experience!

BUT...we need help to keep our community well-connected!

So, please join us on **September 28th at 6:45pm via ZOOM** to meet our school administration team, our PAC executive and members along with other interested parents. There are lots of updates to share and many ways to be involved at Bridge so please save the date to find out more!

This year we will be looking for fundraising ideas so feel free to email us any ideas you may have before the meeting! williambridgepac@gmail.com . You can also follow us on Facebook and Twitter ☺

We look forward to 'seeing' you there!
