The Terry Fox Run

We had a wonderful Terry Fox Run last week, our final amount raised is **\$2208.30!**

Thank you for all of your cash and online donations.

Drive Thru and Drop Off Zone

The drive thru and drop off zone can be a dangerous area in the morning and after school. We can keep all Bridge students safe by following a traffic pattern.

The drive thru lane (indicated with the blue line) is for getting back onto the road or for advancing to a drop off spot. Please do not let your children exit your vehicle if you are in the drive thru lane. When using a drop off spot, drive towards the end of the drive thru lane and use the drop off spot that is the furthest along (indicated by the red arrow). If that spot is filled use the closest drop off spot to the exit that is currently available. **Drop off spots are not parking spots. Do not leave your vehicle.**

Remember, safety is more important than a student being in class a minute or two sooner. Thank you for cooperation in making the Bridge community safer.
