Keeping Kids Safe Online

Keeping Kids Safe Online is a 60-minute interactive workshop designed to help parents, caregivers, and service providers to better understand how to help children stay safe online. This presentation is split into three sections: Online Exploitation – overview, App Literacy – learning how to safely navigate today's most popular apps, and How to Talk About It- how to have these difficult conversations with your children/clients and what to discuss.

Kindergarten Registration for Next School Year (For children born in 2021)

Richmond School District 38 is excited to welcome Kindergarten registration applications for children born in 2021, turning 5 in 2026. These children will begin Kindergarten in September 2026.

Online registration opens on November 1, 2025. Please visit our district's website: <https://sd38.bc.ca/student-registration/kindergarten-registration>, for more information about our online registration process, required documents, important dates, and FAQs. We encourage families to complete their registration within the Priority 1 registration window, which spans from November to January, to maximize their chances of securing a spot at their catchment school. All registration applications received any time during the Priority 1 registration period will receive placement decisions by February 6, 2026.

Finally, there will be a Kindergarten Information Evening for parents of students with disabilities and diverse abilities on Zoom held on November 5th from 5:30 – 6:30pm. A link to the Zoom is available on our District website <https://sd38.bc.ca/student-registration/kindergarten-registration>.

Thank you and please share this information with your friends and family who have Kindergarten aged children.
