### Bridge News:

1. Thank you to all of our families supporting our youngest learners with wearing masks. As noted in the email from our Superintendent a few weeks ago, the Provincial Health Order requires all K-12 learners and school staff to wear masks with few exceptions. We encourage all students to bring extra re-usable masks to school so that we can reduce the number of disposable masks in use. Thank you for washing these masks at home to help protect our environment!

2. Teachers of Divisions 4, 5, 6, 11, 12, 13, 15, 16, and 17 are using **student e-portfolios** to communicate student learning. Please take some time to comment on your child's learning posts. Be sure to check with the classroom teacher if you are having difficulty logging in as this will be where progress comments, proficiency scales, student reflections, and next steps are posted throughout the year.

3. A heartfelt **THANK YOU** to our Bulldog community for supporting our **School Book Fair**. We earned over \$1650 in Scholastic rewards for our school! We can look forward to lots of student requested books coming to our library soon!
