Thursday 3 rd	Basketball Game @ Garden City
Friday 4 th	

Basketball Season

Our senior students are excited to be playing some basketball games against other Richmond Schools during the next two weeks. The teams have been practicing hard while following safety protocols and we wish them all the best as they represent the Bridge Bulldogs in their upcoming games!

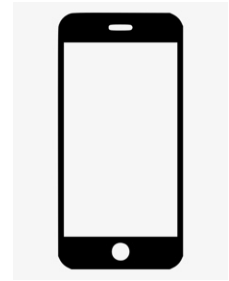

Kindness was all around us on Pink Shirt Day and every day at Bridge!

Student Cell Phone Use Guidelines

Our staff will be reviewing and communicating our student cell phone use guidelines with the help of our counsellor in the coming weeks to ensure the safety and privacy of all students and staff. Personal device use during class time must be for educational purposes only and under the direct supervision of teachers or another staff member. If your child brings a cell phone or device to school to communicate and organize safe, after-school plans, please understand that this device cannot be used for texts and/or calls during the school day including at break times. Thank you for your cooperation and support to help keep our students safe and learning.

Seismic Upgrade Updates:

Our construction crew is getting ready to move into Phase Two of our Seismic Upgrades during and after spring break. Several teachers are preparing to pack up their classroom materials ready for this move. We will provide an update to all classes involved as soon as we have details about entry and exit door changes if needed. Thank you for your patience and understanding as we continue to teach and learn while making these safety improvements. Here are a few photos from this week's report from the project manager.

Mark your calendars:

Tuesday, March 8 th	Safety Drill
Thursday, March 10 th	Second Term Report Cards home for Divisions 1, 2, 3, 14, 18
