Congratulations!

We would like to send our heartfelt congratulations to Ms. Kelli Woo, one of our Noon Hour Supervisors, who has recently completed the district's **REAP Program** and is now a certified **Educational Assistant**. With this wonderful news comes change as she will begin working as an Educational Assistant On-Call next week and will no longer be with us at Bridge over the lunch hour. We wish her all the best in this new role and know that she will bring joy to all of the students she has an opportunity to support. We hope to see you at our school from time to time, Ms. Woo!

Student Learning Survey

The Student Learning Survey (SLS) is an annual province-wide census of students in Grades 4, 7, 10 and 12, their parents and guardians/caregivers, staff, principals and vice-principals in schools. The SLS provides data about student experiences in the school and classroom. It is the only source of province-wide information about students' learning experiences through the perspective of students, parents/caregivers, school administrators, and school staff.

Students in Grades 4 and 7 will be completing the survey at school in April.

Parents and Caregivers are welcome to complete the survey at home using the link below. You will have direct (login-free) access to the survey. Select district and then school (drop down list will automatically populate once district is selected), then language.

First Day of Ramadan

Ramadan is a time when Muslims fast from dawn to dusk. The month of fasting for Ramadan begins on April 3rd this year. At Bridge our staff would like to express our recognition of this spiritual month for our Muslim students and families and wish you a “Ramadan Mubarak”. As our Muslim students and families embark on a month of self-discipline, community, charity, sacrifice, resilience, compassion, and spiritual and physical benefits, our staff is committed to honouring diversity and would like to send our best wishes to our Muslim students and their families.

Sikh Heritage Month

April is also the month to celebrate Sikh Heritage across Canada. Our local Sikh history and excellence is one to be acknowledged and shared. At Bridge we are honoring our local Sikh history, students and families, by engaging in awareness and dialogue with our staffs and students by sharing this [Education Guide on the Sikh Faith](#) and by displaying a selection of beautiful posters recognizing Sikh Heritage as a way to engage our learning community in Sikh history and excellence.

At Bridge, and in the Richmond School District, we are committed to the values of Equity, Inclusion, Diversity and Decolonization.
