Grade 3 – 3:40pm	900m

### Seismic Moving Day!

We have been preparing for our upcoming moving day scheduled for **Friday, October 14<sup>th</sup>**. On this day, professional movers will be on site to work with our construction crew to help:

1. move some classes back into their seismically updated classrooms  
-Mme David-Harel, Ms. Funston, the Resource Team, the Learning Services Room and our EA Room
2. move other classes into their new temporary learning spaces  
-Mr. Gill, Mme Trewin, and Mme Yamamoto

While the west wing, upstairs and downstairs, is under construction and several washrooms are closed, we will have the use of two outdoor washroom trailers (just like last year) for some of our older classes and those in portables. We are also looking forward to opening our two new private washrooms in the gym!

## Learning Update #1 (Parent-Teacher Conferences)

Thank you for marking your calendars for our **Early Dismissal Days at 1:45pm on Tuesday, October 18<sup>th</sup> and Wednesday, October 19<sup>th</sup>** to give teachers time to meet with all families and provide a learning update.

### **The Learning Update will be a time to:**

1. Meet the Teacher and see the classroom (in-person or virtually)
2. Receive a personalized learning update for your child regarding: numeracy, literacy, and their SEL (social-emotional learning)
3. Hear about your child's Core Competency Self-Reflection
4. Set some future goals (optional)
