HIP HOP DANCE CONCERTS**

BRIDGE SCHOOL – FRIDAY FEBRUARY 2, 2024

Bridge families and caregivers are invited to join the amazing Jay from Jess Dance and our students at the upcoming Hip Hop Dance Concerts this Friday, February 2nd. Families can choose to attend either the 1:45 pm Matinee or the 5:30 pm Early Evening Performance.

Families Are Asked To Please Attend the Matinee Show If Possible:

To help us manage the expected audience numbers, and stay within the seating capacity limitations in the gym, we **need** your help... We are encouraging families who are able to attend the Matinee, to please join us at this time, and we ask that all families only attend one of the performances. Please note – students will be viewing this performance as well.

Students Are Encouraged To Attend Both Shows If Possible:

We understand that your child may have prior commitments to activities on Friday evening or perhaps they are already booked for a special event that night, and we are not asking you to change such plans. However, in order to ensure that the performances are strong for both shows, we are asking that families make arrangements for the children to attend both the afternoon and evening performances if at all possible.
