## Bridge Parking Safety

You may have noticed the updated lines in our parking lot and the drop-off lane. There is still some work to be completed so thank you for your patience. **A reminder that all of the parking spaces are designated for staff only.** If you are using the drop-off lane in the morning or after school, thank you for:

- stopping your car in a designated “space” in the drop-off zone
- dropping off your child to walk in to the school independently
- continuing through in the left hand lane to allow the next car to stop

***These new spaces in front of the school are not parking spaces so please do not leave your vehicle unattended.*** If you would like to accompany your child into the school, please park in the neighbourhood, enjoy the fresh air and walk in. Thank you for following these parking regulations and for helping to keep everyone safe!

## Bicycle Racks

Our bicycle racks have been upgraded and moved to a slightly new and safer location. We welcome students to ride their bikes to school wearing a helmet and lock them to the bike racks until the end of the day.
