

# National Day for Truth and Reconciliation

**Every child matters.  
Chaque enfant compte.**

As part of our journey towards truth and reconciliation, we had an assembly on Friday to learn more about **Orange Shirt Day**, the **Halq'eméylem language** and **some basic greetings**. Students will continue this learning journey all year long.

We want to build bridges.

We want to remember and to learn.

Here is the link to a CBC Kids Video explaining Orange Shirt Day:
