Shaping the Next Five Years, Together.

The Richmond Board of Education has partnered with Roots & Rivers Consulting to create a **Strategic Plan** that will guide the Richmond School District over the next five years. As part of the development of the **2025–2030 Strategic Plan**, we are seeking input from students, staff, parents/caregivers, partner groups, and the greater Richmond community through a survey. Additionally, there will be four open houses and a virtual session. Feedback gathered will help shape the priorities that will guide the district for the next five years.

The online survey is anonymous and takes approximately 5–15 minutes to complete. All responses will be reviewed and analyzed to help refine our strategic priorities, and the collective input will be presented to the Board of Education as part of the engagement process.

The survey will be open until Sunday, February 23, 2025, and can be accessed
