# SET THE BOOKS FREE!

## What is “Set the Books Free?”

Set the Books Free is another name for summer lending. Students will be able to borrow some school library books to read during the summer.

## Who can help set the books free?

Any Bridge student who is currently in grades 4 to 6 AND must be returning to Bridge in September.

## How many books can I set free?

Students must have no overdue books or fines for lost books.

Students who are currently in grades 4, 5 or 6 can check out up to 10 books for summer.
