Drop off/Pick Up

Thank you to the parents who have been safely using the drop off and drive thru lanes in front of the school. I can see that you are driving slowly, allowing students to cross at the crosswalk, and staying with your car. If using the drop off lane please pull all the way forward to the last available space to allow as many vehicles as possible into the drop off spots. This will keep traffic flowing. Reminder that the parking spots in the parking lot in front of the school and gym are for staff. If you would like to park your car to walk your child to their door, there is lots of parking available on the street.

Bike and Scooter Safety

Students are required to wear a helmet when riding their bicycle or scooter on the school grounds. Please remember to ride slowly so that no one gets run over.
