Bridge Week at A Glance: *Spring Break Edition*

It's hard to believe it's been a year since we left for Spring Break in 2020 and started learning and teaching online. We have learned a lot during this very different year and although it has been difficult at times, there have been many silver linings and we thank you all for your flexibility, support and understanding. We have enjoyed seeing everyone at school and via zoom and we can't wait to welcome more and more students back to Bridge in the spring.

Wishing you all a well-deserved, restful and fun Spring Break. Enjoy the fresh air and outdoor time with family as the weather warms up and the days get longer. Read a great book, play some board games, dance to your favourite song, colour, get lots of sleep and of course stay safe, stay calm and be kind!
