Bridge Week at A Glance: April 26th – 30th, 2021

The sun has been shining, the cherry blossoms are out in full splendour, and our garden beds are teeming with flowers, vegetables and herbs. Classes have been enjoying the chance to head outside more often for physical activities and for outdoor learning opportunities, too. All in all, it is a great time of year to be at Bridge.

Daily Health Declarations:

Thank you to everyone for continuing to complete your Daily Health Declaration and for staying home if you are not feeling well. We are all doing our best to keep everyone healthy, safe and learning.

School Parking Lot:

We have received a lot of positive feedback regarding our school parking lot and the safe environment we continue to provide for our students' arrival to and departure from school each day. Thank you for parking in the neighbourhood and walking your child to their designated door and/or for using the drop-off zone to help with the flow of traffic in a safe manner. *A reminder that our parking lot is for School and District staff only.*
