Bridge Week At A Glance: **May 10th – 14th, 2021**

Covid Safety and Year-End Special Events:

As you know, Provincial Health Authorities prohibit larger group activities, thus we are sad to inform our community that we are not able to offer many of the special events that we look forward to at this time of year, such as Spring Carnival and Sports Day. It also means that events, such as Welcome to K Open House, as well as our Grade 7 Farewell and Year-End Assemblies will need to be structured in much different ways than in a typical school year in order to keep everyone safe and comply with Health and Safety Protocols.

We thank you for your understanding and support. Please know that the staff at Bridge are trying to find different ways to celebrate a great year of learning at Bridge, and to make the last few weeks as fun and memorable for our students as possible. We are all looking forward to receiving some good news in the future, and hope for a return to more normal daily life at Bridge in the 2021-2022 school year.
