Dear Bridge Parents,

May 11, 2021

2021 Talent Show – A Video Presentation

Bridge students are great kids who bring tons of energy, positivity and enthusiasm to school each day. They are motivated and engaged learners with a variety of interests -and many awesome talents too!

With this in mind, **we are pleased to announce that we will be hosting a Talent Show** again this year. However, due to Covid safety protocols, we will not be able to present the Talent Show live in the gym, and most of the preparation and practice/rehearsing for the show will need to take place at home. Instead, students will practice their performances at home and record their performances – and we will create a **Talent Show Video** to be shared with the community via YouTube for everyone to enjoy.

If your child has a talent they would like to demonstrate, present or perform, they can sign up on the Sign-up Board at the front hallway near the office beginning tomorrow. For safety reasons, students will need to perform on their own this year (or safely with siblings or with their closest friends in their safety bubble).

Talents on display in past shows have included:

- Singing and/or dancing...
- Playing an instrument...
- Magic / card tricks...
- Juggling, yo-yo, hula hoops...
- Basketball dribbling, hockey stick-handling tricks...
- Skateboarding, rollerblading, biking tricks...
- Gymnastics, tumbling, parkour...
- Comedy acts...

If your child would like to participate in the show, please:

- Help them choose a talent or a song to present/perform in this year’s Talent Show
- Send in the permission form with their choice of performance
- Practice/rehearse with them over the next couple of weeks at home
 - we will not be able to practice or rehearse with students at school this year
- Record the performance on your phone, tablet or device, and send in a video clip to us (via email or a USB stick) by Friday May 28th
 - We will provide a USB stick to all students who need one
 - *Specific instructions on sending the recordings will be provided later to parents of children who have signed up for the Show*

Length of Performance:

The video recording should be 1 to 2 minutes in length (2 minutes maximum please)

- If you are not able to record your child’s performance, we will make arrangements to do that safely at school during the week of May 25th – 28th

Tentative dates for the Talent Show are:

Wednesday June 8th

1:15 – 2:30 pm – Video Talent Show - for all classes to view

Wednesday June 8th and Thursday June 9th

6:00 – 9:00 pm – Video Talent Show - available for family and friend to view
