

Dear Bridge Families:

Our valuable community ambassadors, Jason and Barb Davidson from M&M Food Market are helping out once again.

The School Days program awards us with 5% of all sales from customers that mention William Bridge at check out. It's that easy!

So what do you need to do???

Visit any two of their stores, shop their plentiful selection and as you pay... tell them you are a proud Bridge Bulldog!

This PAC fundraising initiative permits us to do so safely and effectively during these challenging times.

Please visit their website as they update their flyer regularly. For those who prefer, they do have online ordering and curbside pickup.

Tell your seniors that they even provide a discount for them everyday!!!  
Grandparents know how much growing kids eat.

Can't wait to hear what your favorite product is!!!
